

Our School's Aims and Values

Our core Christian values are: hope, forgiveness, trust, peace, friendship and respect

We recognise that we are all learners and that we continue to learn throughout our lives. We value the importance of learning together. We aim to produce well-rounded independent learners that are both academically and socially prepared for the future:

Learning together for life.

We achieve our aim by:

- Providing a safe, caring and happy environment for children to develop confidence, independence and take increasing responsibility for their learning and own actions.
- Providing a secure, forgiving and relaxed atmosphere in which appropriate risks can be taken.
- Valuing, promoting and developing each individual's strengths and abilities.
- Building upon each child's existing life experiences.
- Working in close partnership with parents, carers and the wider community.
- Promoting healthy living and the importance of caring for ourselves and each other through co-operation and respect for others.
- Helping children to appreciate their own religious cultural traditions as well as the richness and diversity of other cultures.
- Expecting high standards.
- Providing equal opportunities for all in every aspect of school life.
- Promoting the importance of caring for our environment.
- Listening to each other and valuing individual opinions.
- Preparing for an ever-changing world
