### Last week's highlights...

Our **Maple** children learnt some new letters; had great fun enthusiastically taking part in a PE lesson and set up their own bakery. Many currant buns were bought and sold and a lot of opportunities to work out 'one more' and 'one less' as pennies and buns were exchanged. We all enjoyed their impressive performance during our good work assembly and we all know who to go to for financial (or baking) advice!

Our **Chestnut** children have been super busy making up stories and have become experts in planning stories using a technique called 'Boxing Clever'. They shared their new knowledge with great confidence (and super dance moves) and it was great to hear what independent learners they are becoming. They had great fun copying a spider dance in PE and went on to create their own versions.

Our **Willow** children have been learning how to use inverted commas. They have finished their Viking helmets. They decorated them; explained how they made them and modelled them in our good work assembly with great pride. They also found out about the Islam faith and the Quran.

Our **Oak** children have been rewriting the story of the sphinx. They also travelled to the Lincolnshire Showground to take part in National Construction week and used lux meters in their science lesson.

My thanks go to Theo O K and Charlie, who took on our 'roving reporter' role for me this week.

### Attendance Update:

Week commencing 2<sup>nd</sup> October - our whole school attendance was 96.40%.

Our year to date attendance is also currently 96.83%.

It would be great to back up over 97% again! We love seeing you in school every day!
