

Monday 11th September

Dear Parent/Carer,

We welcome the views of all members of our learning community and see them as an integral part of our review cycle. I am aware that you complete 'The Big Ask' in March each year but I would really appreciate you sharing your thoughts with me as we embark on a new academic year and as I become your new headteacher.

This is an important part of our self-evaluation and should not be seen as being negative where further improvements can be made. Please use the comments space provided to expand on your answers where you feel it is necessary. We can always get better!

If you have more than one child at school, please feel free to complete one questionnaire and reflect any differences in the comments box or to complete separate questionnaires for each child.

Please return these by Monday 18th September.

Thank you in advance for your support and assistance and please let me know if you have any issues or questions.

Miss Day
