15 December 2017

Dear Parents/Carers

## NEW DATE FOR ENVIRONMENT CENTRE TRIP

On Tuesday 9 January, Willow class will be travelling to Lincoln for an exciting topic based trip to the Environment Centre on Whisby Road, Lincoln. As part of the trip, Willow take on the roles of waste recovery officers, packaging designers, project developers and take part in interactive games to share their knowledge.

This trip will greatly enhance the children's understanding of how we use waste to generate electricity (our mini theme this term) as well as reinforce their knowledge and understanding of how careful choices for packaging materials and design can help us care for the environment.

We will need to **leave school by 9:30** and will **return by 3:30**. Children will need a **packed lunch** and a drink. We have been encouraged to take part in the Waste Free Lunch Challenge so therefore are asking children to bring their packed lunches and drinks in reusable containers with minimal packaging. Each school's waste will be sorted and weighed and entered into the Waste Free Lunch Challenge. If you have ordered a Farm Kitchen meal please cancel by 1pm on Friday 5 January to receive a full refund.

The children will need to wear school uniform and suitable footwear for climbing multiple flights of stairs.

We are very fortunate that the cost of the trip is being covered by Lincolnshire County Council's 'Rethink!' programme and so there is no parental contribution required for the trip.

Please complete the consent slip below and return to school by **Friday 5 January**.

Yours faithfully

*J Goddard*
