

Kirkby on Bain Church of England Primary School

Learning together for life

Headteacher's introduction

I am delighted to welcome you to Kirkby on Bain Church of England Primary School; a small school, set in a beautiful rural village, with a Christian ethos.

As you look through our prospectus I hope you will gain an understanding of our school, what it stands for and how it functions. You will also become aware of the importance we place on the partnership between school and home in your child's education.

We have approximately 100 happy children on roll in four classes. The children here are nurtured and inspired to become well-rounded independent learners who are academically and socially prepared for the future.

We are an outward-facing school and embrace collaboration with others so that we can secure excellent achievements for all children. We continually strive to provide innovative experiences, inside and outside the classroom, that make learning fun.

Children are encouraged to become resilient in a place where it's safe to make mistakes. The Christian values of hope, peace, trust, friendship, forgiveness and respect underpin the ethos within our school

I look forward to working in partnership with you to provide your child with the very best in primary school education.
