

Willow Class Curriculum Provision

Teacher: Mrs Emerson **Term:** 5 **Date:** April 2017

Topic titles: **The Journey of a Banana and Forces**

English

During this term we will develop reading and writing skills through *The Iron Man* by Ted Hughes. We will be applying our skills by planning, writing instructions and recipes, narrative and poetry writing, debates, discussions, persuasive arguments and presenting information. Children will continue to work on the use of adjectives, similes, powerful verbs, adverbial phrases, extended sentences, paragraphs, apostrophes and speech marks. We will additionally learn about homophones, synonyms, prefixes and suffixes and continue to develop dictionary skills.

Mathematics

Addition, subtraction, multiplication, division and inverse calculations, real life word problems, times tables practice, mathematical vocabulary, interpreting statistics, ongoing practice of previous mathematical topics.

Science

Forces and Magnetism

Information and communication technology

Coding, power points

Geography

Where does our food come from?, food miles
