Monday 30 April 2018

Dear parents/carers

## GARDENING CLUB

Miss Day is starting a gardening club to run one lunchtime each week. The day this club runs might change from week to week due to Miss Day's other commitments. We are hoping to participate in a Schools' Challenge at the Lincolnshire Show called "A Victory Garden" and so this club will involve working as a team, designing a garden to fit a brief; researching and growing plants; looking after plants and creating presentation materials to be displayed on our stand at the show. There might be a need to complete research or continue some elements at home sometimes.

We are intending to attend the show to display our garden and present our project work and this might involve children being transported by their parents and meeting at the showground. There will be further details nearer the time. We are unable to organise lifts for children with other parents on your behalf.

There are only 12 places available for this club so please return your form a.s.a.p. if you are interested. We will allocate the places on Friday 4<sup>th</sup> May and the club will start the following week. Your child will need to keep an old t-shirt/shirt of Mum or Dad's in school to put on over their school clothes.

Regards

*M Lee*
